## **Introduction:**

- 0.1 The Certification Bodies (CBs), in order to operate under the **Yoga School Certification Scheme**, hereinafter referred to as the Scheme, shall need to primarily comply with the requirements of the document “Requirements for Certification Bodies for certification of Yoga schools”.
- 0.2 The CBs would not get an applicant and would not be able to offer their process for witnessing as part of accreditation process to the accreditation body to get accreditation or to get the relevant scope added in their accreditation, if already accredited, unless they are approved under the Scheme.
- 0.3 Further, in order to launch the Scheme, it is necessary that some CBs are available at the beginning.
- 0.4 Therefore, it is necessary to establish a procedure for provisional approval of CBs under the Scheme till such time they can get the scope added in their accreditation or get formally accredited from the **National Accreditation Board for Certification Bodies (NABCB)** and approved by QCI.
